WHO ARE WE

The European Producers' Club (EPC) is a network of 200 leading **independent film and television producers** from across Europe. Since its founding in 1993, the EPC has served as a dynamic platform for cooperation, innovation, and collective advocacy for the independent producers.

As a member, you **gain access to a community of leading cinema and TV producers**, fostering valuable collaborations and industry connections. EPC provides a trusted, dynamic space where members can network, exchange ideas, collaborate, learn and act together.
